## Special Town Meeting

The meeting began at 2:00 p.m. on June 14, 1986 with about 35 people in attendance. The following subject was acted upon.

To see if the Town will vote to raise and appropriate the sum of Twenty Seven Thousand Five Hundred (\$27,500.00) Dollars for the purchase of a 1976 American La France 1000 GPM pump fire truck for the use by the Fire Department.

Motion was made by John Welch and seconded by Roger Letendre to accept subject as read.

For: 33

Against: 2

A motion was made by Edward Emond and seconded by Roger Letendre to adjourn the meeting. Meeting adjourned at 2:02 p.m.

## Minutes of Annual Meeting 1986 Town of Allenstown

The annual meeting of the Town of Allenstown was held on March 15, 1986. Meeting was called to order at 1:00 p.m. by Dennis Fowler. 248 people were in attendance.

**Article 1** To choose all necessary Town Officers for the ensuing year.

This Article was taken care of on March 11, 1986. The results are known with the exception of Sewer Commissioner for three years which ended up in a tie between Roger Letendre and Charlie Todd. A toss of a coin at the Selectmen's Office resulted in Roger Letendre being elected to serve as Sewer Commissioner for three years.

**Article 2** To see if the Town will vote to adopt the following amendment to the Town's zoning ordinance:

Amend Article IV, Section 401(2) requiring that two family dwelling be located on a lot measuring no less than three (3) acres by increasing said lot requirement to four (4) acres so that said section shall read as follows: "In an Open Space and Farming Zone, land may be used and buildings may be erected or used for:

- a. Single family and two family dwellings, provided that no such dwelling shall be located on a lot measuring less than two acres in area, and no two family dwelling shall be located on a lot measuring less than four acres in area."

Article was passed by the voters on March 11, 1986.

A Motion was made by Monte Rehlander and seconded by Sharon Bernier to allow Phil Cass from Rehabilitation Associates to speak at the Town Meeting. Motion passed. Mr. Cass took the floor and spoke about the progress they were making. He stated that they had recently been approved for a 100-bed rehabilitation facility and that they would be devoted solely to care for patients who have rehabilitation needs. Mr. Cass stated he appreciated the support of the Allenstown community.

---

Mr. Fowler took the floor and stated that Article 12 must be acted upon first. Pursuant to RSA 38-8A any bond issue that exceeds \$100,000 has to be acted upon before any other business. He also stated that a secret ballot vote would require 2/3 majority in order to pass this Article. Mr. Fowler also stated that the polls would remain open for at least one hour as required by the Municipal Finance Act.

**Article 12** (By Petition) To see if the Town will vote to authorize the Selectmen to purchase a 1986 fire truck (2,000 gallon pumper-tanker) at the sale price of One Hundred Seventy Three Thousand (\$173,000.00) Dollars by the issuance of Serial Bonds or Notes not to exceed One Hundred Seventy Three Thousand (\$173,000.00) Dollars under and in compliance with the provisions of the Municipal Finance Act (N.H. RSA 33:1, et seq., as amended) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other action as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Allentown. *(This Article is recommended by the Budget Committee.)*

A Motion was made by Roger Letendre and seconded by Donald Peloquin that Article 12 be accepted as read.

Roger Letendre spoke on the need to purchase this fire truck stating that they presently must carry water with them if a fire is beyond the hydrant areas in town. He stated we would get a ten year bond issue at 8% for this purchase.

A Motion was made by Don Girard and seconded by John Sargent to amend Article 12 to spend no more than Twenty-five Thousand Dollars (\$25,000.00) to repair existing fire truck. This Motion was ruled out-of-order by the Moderator. Town counsel Mr. Therrien stated that this was a bond issue that went through the public hearing process specially for a 1986 fire truck 2,000 gallon pumper at a price of \$173,000.00. He said it would be inappropriate to make an amendment to this bond issue article. It would be more appropriate if the article were defeated and the budget amended to pick up what the townspeople are looking for.

Art Houle stated Allentown could get a truck with a galvanized body guaranteed for 20 years at 7% 7 year pay lease option at a cost of \$90,000.00 to the town.

A Motion was made by Pat Nardone to move on Article 12 and seconded by Roger Menard. Motion passed.

The ballot box was closed at 2:30 p.m. by Mr. Fowler for voting on Article 12. Out of 248 voting by secret ballot, there were 48 "yes" votes and 200 "no" votes. Article 12 defeated.

**Article 3** To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

A Motion was made by Doris Levesque and seconded by John Welch to accept Article 3 as read. Voted and passed.

**Article 4** To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes, and to authorize the Selectmen to give a deed in the name of the Town to the purchaser of such land.

A Motion was made by Sharon Ahearn and seconded by Roger Bilodeau to accept Article 4 as read. Voted and passed.

**Article 5** (By Petition) To see if the Town will vote to hold Tax Sale property according to RSA 80:42 for public bid. This is to be advertised in the Concord Monitor, Manchester Union Leader and a local newspaper of general circulation for a period of seven (7) consecutive days.

A Motion was made by Lucille Longchamps and seconded by Rodney Towle to accept Article 5 as read. There was a lengthy discussion on this Article. Town Counsel Mr. Therrien gave a legal opinion on this Article.

A Motion was made by Roger Menard and seconded by Ron Daviault to move on the question. Motion passed. Article passed by a show of hands.

A Motion was made by Monte Rehlander and seconded by Doris Levesque to reconsider Article 4. Motion passed by a show of hands. There was a general discussion that Article 5 appeared to be in conflict with Article 4.

A Motion was made by David Roy and seconded by Pat Houle to rescind Article 4. Voted and passed. Article 4 rescinded.

---

**Article 6** To see if the Town will vote to give a one (1%) percent discount on all 1986 property taxes paid within fifteen (15) days after mailing of the tax bills.

A Motion was made by Sharon Ahearn and seconded by Daniel Forrest to accept Article 6 as read. Voted and passed.

**Article 7** (By Petition) To see if the Town will vote to raise and appropriate the sum of Seventy Five Thousand (\$75,000.00) Dollars for the purchase of a 1986 Ford with Heil Packer for use by the Highway Department. *(This Article is not recommended by the Budget Committee.)*

A Motion was made by Don Girard and seconded by Richard Bilodeau to accept Article 7 as read. Road Agent James Boisvert spoke in favor of this purchase. Selectman Don Chaput stated that it would be a savings to the taxpayer to purchase its own garbage truck, but that it should be done through the next Article, spreading payment over the next five years. A Motion was made by Don Peloquin and seconded by Roger Menard to move on the question. Motion passed. Article defeated.

**Article 8** To see if the Town will vote to authorize the Selectmen to raise the sum of Seventy Five Thousand (\$75,000.00) Dollars by issuance of Serial Bonds or Notes in compliance with the provisions of the Municipal Finance Act and to authorize the Selectmen to issue and negotiate such Bonds or Notes to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such Bonds or Notes as shall be in the best interest of the Town of Allenstown. This money will be appropriated for the purchase of a 1986 Ford Heil Packer for use by the Highway Department and said sum to be paid in five (5) years. *(This Article is recommended by the Budget Committee.)*

A Motion was made by Sharon Ahearn and seconded by Linda Welch to accept Article 8 as read. There was further discussion on this purchase.

A Motion was made by Art Houle and seconded by Gabriel Daneault that no plows or wings would be added to this vehicle at any time and that it would be used as a trash compactor only. Amendment passed. A Motion was made by Roger Menard and seconded by Zeke Peloquin to move on the question. Motion passed. Article 8 passed by a show of hands. Out of 199 voters, there were 141 "yes" votes and 58 "no" votes.

**Article 9** (By Petition) To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Two Hundred Sixty Five (\$13,265.00) Dollars for the purchase of a 1986 Ford LTD Cruiser for use by the Police Department. *(This Article is recommended by the Budget Committee.)*

A Motion was made by John Welch and seconded by Dave Forrest to accept Article 9 as read. A Motion was made by Ed Emond and seconded by Don Chaput to amend Article 9 by stating that the oldest cruiser would be sold and not kept as a third cruiser. Amendment passed. A Motion was made by Steve Fowler and seconded by Don Peloquin to move on the question. Motion passed. Article 9 passed.

**Article 10** (By Petition) To raise \$10,110.00 for the purpose of funding full day-time emergency ambulance coverage for the Town of Allenstown. Crews will be under the jurisdiction of Tri-Town Volunteer Emergency Ambulance Service, Inc.

The total expenditure for the area is \$30,300.00 to be shared equally by the three towns. This warrant must be passed by all three Towns of Allenstown, Hooksett and Pembroke in order to go into effect. *(This Article is recommended by the Budget Committee.)*

A Motion was made by Paul Vezina and seconded by Art Houle to accept Article 10 as read. Sharon Ahearn took the floor and explained that there were presently few people available in the daytime to cover ambulance calls. By passing this Article Tri-Town would hire someone from the hours of 7 a.m. to 4 p.m. and that volunteers would still answer calls after those hours. A Motion was made by Lucille Longchamps and seconded by Pat Houle to move on the question. Motion passed. Article 10 voted and passed.

---

**Article 11** (By Petition) To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Five Hundred (\$20,500.00) Dollars for the purpose of hiring two full-time certified firefighter/EMT's for coverage during the day. *(This Article is not recommended by the Budget Committee.)*

A Motion was made by Don Peloquin and seconded by Richard Bilodeau to accept Article 11 as read. There was a general discussion as to whether this Article should be approved. A Motion was made by Art Houle and seconded by Roger Menard to move on Article 11. Motion passed. Article 11 defeated.

A Motion was made by Ron Adinolfo and seconded by Art Houle to act on Article 13 after Article 29. Motion passed.

**Article 14** To see if the Town will establish an Industrial Development Committee to research land availability and utility capacity that Allenstown has to offer, to identify industries seeking a site for development and to authorize the Committee to negotiate to buy land and/or rights of way as required to encourage industrial development.

A Motion was made by Gabriel Daneault and seconded by Don Chaput to accept Article 14 as read. Voted and passed.

**Article 15** (By Petition) To see if the Town will vote to adopt RSA 265:69 forbidding parking on Town maintained sidewalks. If passed a fine of \$10.00 will be imposed and paid to the Town of Allenstown.

A Motion was made by Art Houle and seconded by Richard Perras to accept Article 15 as read. After a lengthy discussion it was stated that the fine would not go to the Town but would go to the State, since parking on Town maintained sidewalks is in violation of state laws. A Motion was made by Don Peloquin and seconded by Roger Menard to move on the question. Motion passed. Article 15 defeated.

**Article 16** (By Petition) To see if the Town will vote to oppose the burial, storage, transportation and production of high level radioactive waste in the Town of Allenstown and State of New Hampshire and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (DOE's) present plan to dispose of radioactive waste and into the DOE's competence to carry out such a plan. The record of the vote on this Article shall be transmitted to the Governor of New Hampshire, the New Hampshire Congressional Delegation, and to the President of the United States.

A Motion was made by Pat Houle and seconded by Steve Fowler to accept Article 16 as read. Voted and passed.

**Article 17** (By Petition) To see if the Town will vote and adopt reporting itemized gross payroll in the annual town report per individual town employee as was done in the past years.

A Motion was made by John Welch and seconded by Doris Levesque to accept Article 17 as read. Voted and passed.

**Article 18** (By Petition) To see if the Town will vote to changing town meetings to Saturday nights at 7:00 p.m.

Mr. Fowler declared Article 18 as invalid. It cannot be acted upon. It is in violation of existing town ordinances.

**Article 19** To see if the Town will vote to adopt written welfare guidelines as proposed by the Board of Selectmen. Chapter 380 of the laws of 1985 requires the town to adopt written welfare guidelines prior to April 1, 1986. (Copies of the full text of the proposed guidelines are on file with the Town Clerk.)

A Motion was made by Monte Rehlander and seconded by Gabriel Daneault to accept Article 19 as read. Voted and passed.

---

**Article 20** (By Petition) To see if the Town will vote to have the Selectmen petition the State of N.H. Traffic Division to install no parking signs on the north side of School Street from Route 3 to Valley Street. *(This is recommended by the Allenstown Highway Safety Officer.)*

A Motion was made by Art Houle and seconded by Richard Bilodeau to accept Article 20 as read.

A Motion was made by James Boisvert and seconded by Ron Adinolfo to amend Article 20 to read from Route 3 to Westerly side of Letendre Ave. on both sides of the road. Amendment passed. There was a lengthy discussion as to whether or not there had been any accidents and how many cars actually parked near the curve. Article 20 voted and passed as amended.

**Article 21** (By Petition) To see if the Town will vote to elect a Grant Coordinator for one year elective term. The Grant Coordinator's job will entail researching and helping to formulate grant requests for town's approval. This will be an unpaid one year's elective position.

A Motion was made by Lucille Longchamps and seconded by Don Coulsey to accept Article 21 as read.

A Motion was made by Monte Rehlander and seconded by Gabriel Daneault to change word "elective" to "appointed" where it appears twice and to add appointed by the "Board of Selectmen." Amendment passed by show of hands, 82 yes votes and 49 no votes.

A Motion was made by Pat Houle and seconded by Lucille Longchamps to amend Article 21 by adding that the appointment of the Grant Coordinator would be under the advice and consent of the Planning Board. Amendment passed.

Article 21 voted and passed as amended.

**Article 22** To see if the voters of the Town of Allenstown will vote to reduce the speed limit on Granite Street from Main Street to Route 3 from 30 miles per hour to 20 miles per hour.

A Motion was made by Pat Houle and seconded by R. Tokofsky to accept Article 22 as read.

A Motion was made by Gary Nolet to amend Article 22 to also include through trucking signs at each end of the street. This amendment was seconded by John Sargent and passed. Article 22 voted and passed as amended.

**Article 23** (By Petition) To see if the Town will vote to have public bids for any expenditure in excess of \$1,000.00. Such notice to be published in the Concord Monitor and Union Leader.

A Motion was made by Doris Levesque and seconded by Art Houle to accept Article 23 as read.

A Motion was made by Lucille Longchamps and seconded by Mrs. Coulsey to amend Article 23 by replacing \$1,000.00 with "as practical." Amendment defeated. Article 23 defeated.

#### **BALANCE AMOUNT OF REVENUE SHARING: \$31,751.00**

**Article 24** To see if the Town will vote to authorize the sum of Eleven Thousand Seven Hundred Fifty One (\$11,751.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Highway Department.

A Motion was made by Pat Nardone and seconded by Art Houle to accept Article 24 as read. Voted and passed.

**Article 25** To see if the Town will vote to appropriate the sum of Ten Thousand (\$10,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Police Department.

A Motion was made by Pat Nardone and seconded by Ron Daviault to accept Article 25 as read. Voted and passed.

**Article 26** To see if the Town will vote to appropriate the sum of Ten Thousand (\$10,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Fire Department.

A Motion was made by Pat Nardone and seconded by Sharon Ahearn to accept Article 26 as read. Voted and passed.

---

**Article 27** To see if the Town will vote to accept the budget as submitted by the Budget Committee, or pass any vote in relation thereto.

A Motion was made by Art Houle and seconded by Linda Welch to go line item. By a show of hands there were 43 "yes" votes and 54 "no" votes. Motion defeated.

A Motion was made by Ed Emond and seconded by Gabriel Daneault to add \$60,000.00 to the sanitation budget for the purchase of a 1986 Packer as passed in Article 8. Voted and passed.

A Motion was made by Don Girard and seconded by Roger Menard to increase the Fire Department budget by \$30,000.00 to be available for repairing the existing 1974 tanker. Motion defeated.

A Motion was made by Monte Rehlander and seconded by Don Peloquin to add \$20,000.00 to the capital improvement fund. Motion defeated.

A Motion was made by Ed Emond and seconded by Gabriel Daneault to add the amount of \$4,500.00 to the Youth Officer budget for payment to the youth officer. There was a general discussion as to the youth officer's duties. Motion defeated.

A Motion was made by Roger Menard and seconded by Pat Nardone to accept the town budget as amended in the amount of \$1,427,956.00. Voted and passed.

**Article 28** To hear the reports of auditors, agents and committees or of officers heretofore chosen, and to pass any vote in relation thereto.

The Moderator Mr. Fowler read to the townspeople the report of the auditors, Carri, Plodzik and Sanderson.

Don Coulesy requested the Moderator Mr. Fowler read the "Report from the Allenstown Budget Committee" on page 61.

**Article 29** To transact any other business that may legally come before said meeting.

Linda Welch stated that she would like the Selectmen to consider the Budget Committee's recommendations to make sure everybody gets the raise they deserve.

A Motion was made by Roger Menard to move to Article 13 and seconded by James Boisvert. Motion passed.

**Article 13** (By Petition) Shall we adopt the provisions of RSA 72:37 for the exemption for the Blind from property tax? This Statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00. Upon a secret ballot vote, there were 35 "yes" votes and 35 "no" votes. Article defeated.

A Motion was made by Roger Menard and seconded by Art Houle to adjourn the meeting at 5:30 p.m. Voted and passed.

---

## The State Of New Hampshire Special Warrant

TO THE INHABITANTS OF THE TOWN OF ALLENSTOWN, IN THE COUNTY OF MERRIMACK IN SAID STATE, QUALIFIED TO VOTE IN THE TOWN AFFAIRS:

You are hereby notified to meet at the Allenstown Elementary School Gym in said Allenstown for a special meeting on Saturday the 14th day of June next, at two o'clock in the p.m., to act upon the following subject:

1. To see if the Town will vote to raise and appropriate the sum of Twenty Seven Thousand Five Hundred (\$27,500.00) Dollars for the purchase of a 1976 American La France 1000 GPM pump fire truck for use by the Fire Department. (*Approved by Budget Committee.*)

Given under our hands and seals this 30th day of May, A.D. 1986.

Gabriel Daneault  
Donald A. Chaput  
Edward Emond  
Selectmen of Allenstown

A true copy of Warrant—ATTEST:

Gabriel Daneault  
Donald A. Chaput  
Edward Emond  
Selectmen of Allenstown

We certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attest copy at Town Hall being a public place in said Town on the 30th day of May, 1986.

Gabriel Daneault  
Donald A. Chaput  
Edward Emond  
Selectmen of Allenstown

---

## Decree For Special Town Meeting

The above entitled petition came before the Court for hearing and the Court, having considered the evidence, finds that an emergency has arisen in the Town of Allenstown which may require an immediate expenditure of money.

It is hereby ordered, adjudged and decreed that the Selectmen of the Town of Allenstown are hereby authorized to hold a Special Town Meeting on June 14, 1986 at 2:00 p.m. at Allenstown Elementary School for the purpose of acting upon the article set forth in the accompanying petition, and the Special Town Meeting shall have the same authority as that of an annual Town Meeting.

The above approval is conditional upon compliance with all statutory requirements relating to posting and notice which control such a Special Meeting.

This decree is made solely for the purpose of permitting the Special Town Meeting to be held, and it is not to be construed nor interpreted in any other manner nor for any other purpose whatsoever.

May 9, 1986

William F. Perry  
Presiding Justice

A True Copy—ATTEST:

Marshall A. Buttrick  
Clerk of Merrimack County Superior Court

---

**The State of New Hampshire  
Superior Court  
IN RE: Town of Allenstown  
Petition For Special Town Meeting**

MERRIMACK, SS.

86-E-265

APRIL TERM, 1986

NOW COMES the Town of Allenstown and petitions the Court as follows:

1. That the Town of Allenstown be granted permission by this Honorable Court to hold a special town meeting on June 14, 1986 at 2:00 p.m. at the Allenstown Elementary School Gym on the basis of an emergency and sets forth the following facts:
2. At the Annual Town Meeting of said Town held on March 15, 1986, a petitioned article requesting a bond issue for the purchase of a new fire truck pumper tanker at the cost of \$173,000.00 was defeated.
3. Said article for the fire truck was recommended by the budget committee due to the dilapidated condition of the 1964 fire truck pumper tanker.
4. Said 1964 fire truck pumper tanker was placed out of service as of April 29, 1986 as the result of non-workable valves and the rear of the pump and drive shaft coming apart.
5. Additionally, a 1974 Ford fire truck is now in disrepair and will be placed out of service leaving the Town with only one truck to respond to fires within the Town.
6. With only one fire truck left, the Town is unable to provide adequate fire protection to the citizens of the community creating a very dangerous situation for the health and safety of the community, thus creating the emergency status of this request.
7. That the Town has the opportunity to purchase a used 1976 pumper-tanker fire truck at the price of \$27,500.00.
8. That an additional appropriation must be made to authorize the purchase of the used 1976 fire truck.
9. That the following article be inserted in the warrant for the special meeting.

"To see if the Town will vote to raise and appropriate the sum of Twenty Seven Thousand Five Hundred (\$27,500.00) Dollars for the purchase of a 1976 American La France 1000 GPM pump fire truck for use by the Fire Department."

Respectfully submitted,  
Town of Allenstown  
By its Selectmen  
Gabriel Daneault  
Donald A. Chaput

# State of New Hampshire Department of Revenue Administration

61 South Spring Street, P.O. Box 457  
Concord, 03301

Board of Selectmen  
Town of Allenstown REVISED

November 24, 1986

Your Summary Inventory of Property Valuation and Statement of Appropriations have been approved. You may proceed with the assessment of 1986 taxes on the basis of the following figures:

Net Assessed Valuation	\$42,809,867.00
<b>Taxes Committed to Collector:</b>	
Town Property Taxes Assessed	\$ 2,375,947.00
Precinct Taxes Assessed	0.00
Total Gross Property Taxes	\$ 2,375,947.00
Less: Est. War Service Tax Credits	25,650.00
Net Property Tax Commitment*	\$ 2,350,297.00
Tax Rate—Town	\$55.50
—Precinct	\$ 0.00

\*The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriation.

The net amounts approved for school, county and precincts are indicated below. These amounts are the total monies which should be transferred to each of these units of government.

Net School Appropriations	\$1,654,356.00
County Tax Assessment	\$ 154,849.00
Net Precinct Appropriation (1)	\$ 0.00

In arriving at the above approved rate the Overlay has been set in the amount of \$59,303.

Very truly yours,  
Everett V. Taylor

# Department of Revenue Administration

Separate Tax Rates To Be Printed on 1986 Tax Bills (RSA 76:11;11-a;13)

Town of Allenstown

REVISED

November 24, 1986

Unit of Government	Rate
Municipal	\$15.45
County	3.42
School	36.63
Combined Rate (Non-Precincts & Single School Districts— Town—Cities)	55.50

Amount of Taxes to be Committed (per official tax rate letter)	\$2,350,297.00
---	----------------

RSA 76:11 provides for delivery of the list (warrant) to the collector within thirty days of receipt of approval of the tax rate unless for good cause the time is extended by the department. The collector shall within thirty days after receipt of the warrant from the selectmen (assessors) send out the tax bills unless for good cause the time is extended by this department.

RSA 76:11-a Information Required. The tax bill which is sent to every person taxed, as provided in section II, shall also show the assessed valuation of all lands and buildings for which said person is being taxed. The 1985 rate breakdown reflects a proportionate share of the Reimbursement a/c Property Exempt by 1970 Special Session for each unit of government.

RSA 76:13 provides that interest at 12% per annum shall be charged upon all taxes except resident taxes not paid on or before Dec. 1, except that in the case where a tax bill was sent to a taxpayer on or after November 2 and before April 1st, interest shall not be charged until 30 days after the bills are mailed. The collector shall state on the bill the date from which interest will be charged.

The tax bill which you mail must contain the date from which interest will be charged and on this date is determined by the date you send the last bill on the list committed to you. RSA 76:13 also requires that you notify this department in writing of the date on which you send the last bill. There is enclosed a form for this purpose.

Department of Revenue Administration  
Everett V. Taylor, Commissioner

# Summary Inventory of Valuation

Town of Allenstown in Merrimack County, New Hampshire

**Town of Allenstown  
New Hampshire  
Letter of Comments and Recommendations  
For the Year Ended December 31, 1985**

April 14, 1986

Members of the Board of Selectmen  
Town of Allenstown  
Allenstown, New Hampshire

Dear Members of the Board:

As part of our examination of the various funds and groups of accounts of the Town of Allenstown for the year ended December 31, 1985, we reviewed and tested the Town's systems of internal accounting control to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements. It was not designed for the purpose of expressing an opinion on the internal accounting control and would not necessarily disclose all weaknesses in the system.

As a result of such review and in an effort to be of assistance to the Town, we are submitting for your consideration a number of comments and recommendations intended to improve operations and internal control. Although the purpose of this letter is to indicate constructive criticisms and recommendations for improvements, we did note many positive aspects of the Town's financial management and procedures which are not set forth in this report. A review of this type places greater emphasis on findings of a critical nature. Therefore, to put our comments in proper perspective, it should be noted that the weaknesses observed are not necessarily the result of poor management but may be due to factors outside the control of the Town's personnel, such as organizational restrictions and budgetary limitations.

We recognize that practical considerations are an important factor in instituting changes in accounting procedures and the system of internal control. The Town must weigh the possible additional costs of such changes against the risks inherent in the present procedures and systems. In the following paragraphs, we present our comments and recommendations for improving specific aspects of the Town's systems and procedures. We also refer you to the appendix to this letter which explains the purpose of our review, its limitations, and the professional standards involved.

#### **General Fund**

##### **A. Treasurer's Records**

Our letter of comments and recommendations dated April 11, 1985, which covered the audit of fiscal year ended December 31, 1984, enumerated in detail the inadequacies of the Treasurer's records and consequently the unreliability of the financial reports being generated on a monthly basis for use by the Board of Selectmen.

---

We regret to note that our examination of the Treasurer's records for the year ended December 31, 1985 showed no improvements from the prior year, and financial statements generated from such records continued to be unreliable for effective decision-making by Town management. As in the past, lack of monthly reconciliations of the Treasurer's records to the depository bank and numerous errors in recording cash receipts and disbursements have contributed to the overall weakness in the accounting system.

**B. Interest Overpayment**

Our audit tests applied to disbursements indicated internal control weaknesses, in that interest payments are being made on short-term debt obligations based solely on invoices from creditor banks, without independent verification of invoiced amounts. As a result, we noted that in 1985, interest expense was overpaid in the amount of \$8,900.

We recommend that all invoices be internally verified for math accuracy to ensure proper disbursements and prevent overpayments.

**C. Deficit Fund Balance**

As explained more fully in note 9 of the Notes To The Financial Statements, in our audit report for the year ended December 31, 1985, the Town's General Fund is in a deficit position at December 31, 1985 in the amount of \$163,208, as a result of 1985 transactions. We strongly recommend that Town management review this situation and take the necessary steps to eliminate this deficit in the coming year.

In addition, the expenditures and revenues should be reviewed continually in order to keep within the budgetary limits.

**D. Bookkeeping**

Beginning in 1986, the Town has instituted a one-write accounting system for recording and classifying General Fund disbursements. However, this system is not being utilized for cash receipts. We recommend that all receipts into the Town's General Fund be similarly recorded and classified. In addition, recorded receipts and disbursements should be reconciled with the Treasurer's records on a monthly basis.

In closing, Carri - Plodzic - Sanderson appreciates the courtesy and assistance extended by management and employees of the Town of Allentown during the course of our examination. If you have any questions relating to the matters in this letter, we will be pleased to discuss them with you at your convenience.

---

**Town of Allenstown, New Hampshire**

**Report of Examination of the Accounts  
And Records of Catherine Valley  
Town Treasurer**

**For the Period January 1, 1986  
Through November 30, 1986**

**Auditor's Opinion**

Members of the Board of Selectmen  
Town of Allenstown  
Allenstown, New Hampshire

In accordance with your request, we have examined the books, records and accounts of Catherine Valley, Treasurer of the Town of Allenstown, New Hampshire for the period January 1, 1986 through November 30, 1986, and as a result of our examination submit the following exhibit as listed in the table of contents.

Our examination was made in accordance with generally accepted auditing standards applicable to cash transactions and, accordingly, included such tests of the records as we considered necessary in the circumstances.

In our opinion, the accompanying exhibit presents fairly the activity in the accounts of Catherine Valley, Treasurer, arising from cash transactions for the period then ended on a basis consistent with that of the preceding year.

December 16, 1986

# Exhibit A

## Town of Allenstown

### Note To The Financial Statements

#### Note 1—Basis of Accounting

The accounts of the Treasurer are maintained and reported on a cash basis. Under the cash basis method of accounting, revenues are recognized when received rather than when earned, and expenses are recognized when paid rather than when the obligation is incurred.

## Allenstown Sewer Commission

To: *Citizens of the Town of Allenstown*

From: *Board of Sewer Commissioners*

The Board of Sewer Commissioners is pleased to submit their reports of the operation and maintenance of the Wastewater Plant and Town Sewer System for 1986.

Unfortunately, but as expected, we had to increase our sewer rate this past year due to the increased maintenance costs. However, we are happy to report that we are anticipating a 25% decrease in our sewer rate this year.

Our major accomplishments during 1986 were the rebuilding of the River Road Pumping Station and the replacement of the sewer line on Al's Avenue.

Our sewer commission meetings are held on the first Tuesday of each month and we welcome anyone who would be interested in attending these meetings. Thank you for your continued support.

Sincerely,  
Allenstown Sewer Commission  
Donald R. Boisvert, Chairman  
Colin Egan, Commissioner  
Roger Letendre, Commissioner

# Allenstown Police Department

TO THE CITIZENS OF ALLENSTOWN:

The Allenstown Police Department is a fulltime law enforcement agency which provides twenty-four hour protection and police services for the citizens of Allenstown, N.H. The police department is responsible for patrolling twenty-five square miles of town and State owned land, which consists of one hundred and twenty miles of public roadways. There are also two major state highways that run through town, those highways being Route 28 and Route 3. Located within the town is Bear Brook State Park. This state park is utilized in both the summer and winter months for a variety of recreational activities.

The police department to date, employs four full time police officers in which each officer has completed the mandated training requirements by attending and graduating from the New Hampshire police standards and training academy. Each officer has also attended a variety of inservice police training courses conducted by the New Hampshire police standards and training academy to become better trained and acquainted with the modern techniques of law enforcement procedures.

The police department also employs seven auxiliary police officers, in which each of the auxiliary officers have completed a mandatory part time police officer's academy to become certified as a part time police officer. The department utilizes these auxiliary police officers during emergency situations as they arise, and to cover the shifts that become vacant during the full time officers' days off and vacations.

During the year of 1986 the increase for police services by the town has in most of the categories doubled. The town has continued to increase in its population which would constitute for the increase in the requests for police services. As you may be aware, when a town of this size begins to increase in population, the need for police services also increases. It is due to these increases that the police department is at this time experiencing difficulties attempting to maintain stability with answering these requests. I think that it is a proven fact through the rise in the police activity statistics that we need an increase in police personnel to maintain control with providing police services to the citizens of Allenstown.

In closing, the police department takes pride in its accomplishment of being able to provide professional police services to you citizens. As a way to better provide these police services, we sincerely hope that you will continue to support the police department.

Very Truly Yours,  
Norman H. Connor  
Chief of Police

The following is a statistical breakdown of the activity that the Allenstown Police Department has provided for the citizens of Allenstown during the years of 1986, 1985 and 1984 for the safety and well-being for the citizens of Allenstown, N.H.

	1986	1985	1984

# Tri-Town Volunteer Emergency Ambulance Service, Inc.

To The Residents of Allenstown:

1986 was an extremely busy year for Tri-Town Ambulance. Not only was it our busiest year, but it marked the beginning of full-time weekday coverage for our three towns. We are very fortunate to have the support of the residents of Allenstown. Without it it would be difficult to carry out the goals and objectives of our Services. We would like to take this opportunity to express our gratitude to all of you for your continuing support.

As we are all aware, other than weekdays, Tri-Town is staffed by dedicated volunteers who contribute many hours to make sure you have the emergency response available in time of medical distress. Our ambulances are Basic Life Support and are equipped with the very best supplies and equipment available.

In 1986, Tri-Town responded to 830 medical calls. This represents a 32% increase in the number of responses...reflecting the 24-hour coverage the Tri-Town is now able to provide.

Home Emergencies	482	58%
Road Emergencies	240	29%
Transfers	11	1%
Other	<u>97</u>	<u>12%</u>
	830	100%

Tri-Town responded to 227 calls in Allenstown in 1986 (27% of all calls). This brings the average cost to the Town of Allenstown to \$73.13 per call. Last year Tri-Town received an allocation of \$6,500 for our operating budget, as well as \$10,100 through Warrant Article) to share the expenses for two full-time EMT's to cover weekday hours (7 am to 4 pm) from the Town of Allenstown. This year (1987), we are requesting \$6,500 for our operating budget and \$10,467 for day personnel—a total of \$16,967 from each of the three towns. This is a slight increase which is needed for increased insurance premiums. Our total budget for 1987 is estimated at \$71,125.

In 1987, Tri-Town marks its fifteenth year of dedicated service to the communities we serve. We continue to provide excellent medical care—and at no charge to the patient.

Tri-Town Ambulance is always looking for people who are interested in becoming part of our organization. If you are interested, please contact Tri-Town at:

Tri-Town Ambulance  
Attn: Membership Chairman  
P.O. Box 149  
Suncook, NH 03275

All training is provided by Tri-Town Ambulance.

Once again we would like to express our thanks to all our volunteers for their dedication to our Service—THEY CARE!

Tri-Town Volunteer Emergency  
Ambulance Services, Inc.

## Allenstown Public Library

Do you have a few minutes? We would like to update you on what happened at the library during 1986.

Last March, we planned a "Springtime Thank You Celebration" in appreciation for monetary assistance received for the ramp and landscaping. When our plans materialized, the Allenstown Public Library "Open House" was held Friday evening June 27, 1986. We were pleased with its success. Many residents had a chance to look around, to chat, to have a cup of coffee or a glass of punch and to nibble on the many goodies donated and provided by friends. The celebration was enhanced by neighboring librarians, a state librarian and our own town officials.

Several shrubs planted the previous fall were in bloom for the event. Patrons admired their beauty from early spring through late autumn. Colors ranged from the palest pink of the mountain laurel to soft lilac and bright magenta of the rhododendron. The vivid yellow of the potentilla accented the rainbow shades creating a beautiful panoply of color. With the arrival of autumn many bulbs were planted now, be sure to watch for the tulips, the jonquils, the irises and the hyacinths; the crocuses will appear for your enjoyment before the snow melts.

Our story time session during the summer was climaxed by the appearance of a spectacular clown who handed helium balloons to our happy children. Refreshments were once again donated. Story time was repeated in the late fall and at that time we focused on Thanksgiving and Christmas Stories. We thank our wonderful story tellers—those, who so willingly gave of themselves to bring gaiety and laughter to the children. We gratefully acknowledge:

Lorraine Berthiaume  
Vicki Kneeland  
Bettye Richard

Kathleen Burbanks  
Lorry Malo  
Susan St. Germain

Lucille Fortin  
Ann Morgan

The reference section of our library boasts a new set of Americana Encyclopedias, a new set of Science Encyclopedias, and a new Career Library. These volumes sit proudly on the shelves awaiting the curious and the scholarly. The young adult section has been expanded; and we hope to entice and interest them in good reading.

The walls and ceiling of the library were dusty and the paint was beginning to peel; so after serious consideration, we decided that the interior of the library needed a new look. Our new color is off-white and it adds an overall brightness which makes the natural woodwork sparkle in contrast. We believe it's a great improvement! Come and see for yourself. Browse around; find an old book by your favorite author and read it again. Better still pick up a best seller—we have a good selection. Patronize your library and save money (paperbacks are expensive). Within the yearly budget we sincerely try to accommodate and please our patrons.

Vital modifications will be needed before the end of 1987.

- a. The septic system has given us a considerable amount of trouble.
- b. The chimneys need to be pointed.

With careful planning and with cautious spending we hope to be able to remedy these situations.

A word of appreciation to our trustees, to our assistant librarian and to all others who work diligently to make us proud of our library: A sincere "Merci." We are looking forward to a new productive and happy year.

Respectfully submitted,  
Georgette S. Plourde  
Librarian

## Concord Regional Visiting Nurses Association

The Concord Regional Visiting Nurse Association, Inc. continued to service Allenstown for this past year. In the Home Care Program, service is provided under a physician's plan of treatment to patients who are essentially homebound with diagnosed illness. This service is rendered by health professionals (Registered Nurses, Physical Therapist, Occupational Therapist, Speech Pathologist, Nutritionist) and paraprofessionals (Homemaker/Home Health Aides, Home Assistants) according to the patient's and family's needs. Hospice care is provided to patients in the last six months of a terminal illness. The Health Promotion Program has services (child health, family planning, screening) that are provided to low income/high risk patients and families in group settings, such as clinic and screening sites.

Health Education and Instruction is part of each home visit or clinic visit.

Anyone in Allenstown may request service; patient, doctor, health facility, pastor, friend or neighbor. Patients are also referred by other agencies. All requests are answered, but continuing home care can be provided only with a physician's orders.

A call to the Concord Regional Visiting Nurse Association, Inc. (224-4093) between the hours of 8 a.m. and 7 p.m., seven days a week is all that is necessary to start services or make inquiries. Hospice staff are on call (224-4093) 7 p.m. to 8 a.m.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for those unable to pay the charge if that person has no other funding source available. However, for fee scaling, federal regulations require a financial statement be completed and a fee appropriate for which the patient will be responsible. Town monies subsidize those visits that are scaled or that no fee is collectible.

This Agency is accredited by National League for Nursing and American Public Health Association Certified for Medicare and is a member agency of Home Care Association of New Hampshire, United Way of Merrimack County and National Association for Home Care.

Visits made during the year beginning October 1, 1985 to September 30, 1986 were:

	<u>No. of Clients</u>	<u>Visits</u>
Home Care	54	1,795
Health Promotion	144	863

---

## Welfare Department

In 1986 The Town of Allenstown has helped 84 people.

Families	63
Single	13
Elderly	4
Juveniles	<u>4</u>
	84

Attorney Fees  
Psychological Testing  
Southern N.H. Services  
Manchester Vol. School

The Welfare Dept. has been reimbursed the sum of \$1,410.45.

I am in the office every day Monday-Friday 10:00 A.M. to 11:30 A.M.

Jeanette Plourde  
Welfare Officer

## Building Inspector

# Minutes of the Allenstown School District Meeting

The Allenstown School District Annual Meeting was held on Friday evening, March 8, 1986, at the Allenstown Elementary School. In attendance were all officers of the Allenstown School District, members of the School Administration and the Budget Committee, as well as approximately sixty qualified voters of the Town of Allenstown.

The School District Clerk, Patricia Nardone Boucher, called the meeting to order at 7:00 P.M., due to the resignation of the Moderator, William Smith. Nominations for the post of temporary Moderator were taken. Dennis Fowler was nominated by Sharon Ahearn and seconded by Roger Letendre to serve in this capacity. No other candidates were nominated and Dennis Fowler was elected by voice vote.

The Moderator then proceeded with the meeting according to the Articles presented in the Allenstown Town Report, 1985.

**Article 1** TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES OR OFFICERS CHOSEN AND TO PASS ANY VOTE RELATING THERETO.

Ms. Sciarappa, Principal of the Allenstown Schools, presented a report on the spirit of co-operation at the schools, citing the comaraderie between the old and new Staff, many of whom have teaching experience in many other states. In addition, Ms. Sciarappa discussed the following topics: reaching new goals, leadership and the curriculum, computers, and the school building and grounds. This information was provided, in detail, in the Town Report (pgs. 75-77) to offer the residents a more thorough record.

Frank Danieli, Chairperson of the Allenstown School Board, presented the School Board's Report. It was stated that the Space Needs Committee had been implemented in August, 1985, and the Chairpersons of each of the three sub-committees had reports to present. Sharon Ahearn of the Essential Information Committee addressed the issue of current and projected school enrollment. She also addressed the issue of projected impact, financially, on the taxpayers with respect to an anticipated increased tax base. Marilyn Hoeft, Instructional Program Committee, addressed Allenstown's standing with respect to New Hampshire mandates for receiving State Aid. She addressed the academic programs offered to Allenstown Elementary and Middle School students. Monte Rehlander of the Current Facility Analysis Committee addressed the status of both the Allenstown Elementary School and the Armand R. DuPont School. The possible options to deal with overcrowding both immediately and in the future, were discussed. Copies of the *Report of the Allenstown School District School Space Needs Committee*, were made available to all in attendance. This fifty-four page report gives detailed analysis of the committee reports and suggested recommendations.

**Article 2** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT GIFTS AND DONATIONS ON BEHALF OF THE SCHOOL DISTRICT.

A motion was made by Sharon Ahearn and seconded by Vivien Doane to accept this article as read. There was no discussion, and the article was passed by a voice vote.

**Article 3** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT AND EXPEND ON BEHALF OF THE DISTRICT A SUM OF MONEY NOT TO EXCEED \$49,109.00, TO BE OBTAINED FROM THE FEDERAL GOVERNMENT OR OTHER SOURCES THAT MAY MAKE SUCH FUNDS AVAILABLE TO THE DISTRICT: PROVIDED THAT THE SCHOOL DISTRICT WILL NOT BE THEREBY REQUIRED TO RAISE ANY MONEY BY LOCAL TAXATION IN THIS OR SUBSEQUENT YEARS AS THE RESULT OF SUCH EXPENDITURE OF \$49,109.00. (Budget Committee recommends approval.)

A motion was made by Pat Nardone Boucher and seconded by Linda Welch to accept this article as read. The article was declared passed by a voice vote.

---

**Article 4** TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO APPLY FOR, ACCEPT, AND EXPEND, WITHOUT FURTHER ACTION BY THE DISTRICT MEETING, MONEY FROM THE STATE, FEDERAL, OR OTHER GOVERNMENTAL UNIT OR A PRIVATE SOURCE WHICH BECOMES AVAILABLE DURING THE 1986-1987 SCHOOL FISCAL YEAR, PROVIDED THAT SUCH EXPENDITURE BE MADE FOR PURPOSES FOR WHICH A SCHOOL DISTRICT MAY APPROPRIATE MONEY AND THAT SUCH EXPENDITURE NOT REQUIRE THE EXPENDITURE OF OTHER SCHOOL DISTRICT FUNDS. FURTHER, THAT THE SCHOOL BOARD HOLD A PUBLIC HEARING PRIOR TO ACCEPTING AND SPENDING SUCH MONEY.

A motion was made by Linda Welch and seconded by Don Coulsey to accept this article as read. By a voice vote, this article was declared passed.

**Article 5** TO DETERMINE AND APPOINT THE SALARIES OF THE SCHOOL BOARD AND TRUANT OFFICER, AND FIX THE COMPENSATION OF ANY OTHER OFFICERS OR AGENTS OF THE DISTRICT.

This article is covered by Article 6, the Budget Article.

**Article 6** TO SEE WHAT SUM OF MONEY THE DISTRICT WILL RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES AND BENEFITS FOR SCHOOL DISTRICT OFFICIALS AND AGENTS AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT.

A motion was made by Pat Nardone Boucher to appropriate \$2,471,056.00, for this article; this motion was seconded by John Welch. Frank Danieli made a motion to amend this figure by \$65,000, to \$2,406,056. This motion was seconded by Vicki Kneeland. Frank Danieli explained that a student who was a Special Education placement, had recently moved out of town. The expected savings from this placement was estimated to be \$65,000, and the School Board, therefore, wanted to reduce the Budget by that amount, to reflect the savings. Discussion followed regarding the wisdom of removing the funds, because a Special Education student who required placement could move into the District, and the cost would be absorbed by the District. On a voice vote, the amended motion was declared passed in the amount of \$2,406,056.00.

**Article 7** TO CHOOSE AGENTS AND COMMITTEES IN RELATION TO ANY SUBJECTS EMBRACED IN THE WARRANT.

No committees or agents were chosen.

**Article 8** TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING.

A short discussion ensued regarding the future use of St. Jean the Baptist School and the possibility of its purchase by the District. A motion was then made by John Welch and seconded by Sharon Ahearn to adjourn the meeting. It was so declared at 8:20 p.m.

Respectfully submitted,  
Patricia Nardone Boucher  
School District Clerk

---

## Warrant—Allenstown The State of New Hampshire

TO THE INHABITANTS OF THE TOWN OF ALLENSTOWN, IN THE COUNTY OF MERRIMACK IN SAID STATE, QUALIFIED TO VOTE IN THE TOWN AFFAIRS:

You are hereby notified to meet at the Allenstown Elementary School in Allenstown on Tuesday the tenth day of March next, at ten o'clock in the forenoon to act upon the following subjects:

- Article 1.** To choose all necessary Town Officers for the ensuing year.
- Article 2.** To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
- Article 3.** To see if the Town will vote to authorize its Selectmen to sell any real estate which the Town may have acquired by deed as a result of non-payment of taxes, and to authorize the Selectmen to give a deed in the name of the Town to the purchaser of such land.
- Article 4.** To see if the Town will vote to give a one (1%) percent discount on all 1987 property taxes paid within fifteen (15) days after mailing of the tax bills.
- Article 5.** To see if the Town will vote to instruct the Town's representatives to the Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Allenstown unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at the annual Town Meeting by written ballot.
- Article 6.** To see if the Town will vote to raise and appropriate Seventy Thousand (\$70,000.00) Dollars to have a complete revaluation by a private appraisal firm that has been approved by the Department of Revenue Administration, said revaluation to be completed for the tax year 1987. *(This article is recommended by the Budget Committee).*
- Article 7.** Shall the Town adopt the provisions of RSA 72:1-C which authorize any town or city to elect not to assess, levy and collect a resident tax. *(This article is recommended by the Budget Committee.)*
- Article 8.** To see if the Town will vote to authorize the Board of Selectmen to move the Bars & Gates on Dowst Road from the beginning of Dowst Road at Mt. Delight Road to a point approximately 2,300 feet north on Dowst Road at the northern most boundary of Lot 16 on Map V of the Allenstown Property Tax Map. The Bars & Gates to be moved after that portion of Dowst Road has been reconstructed, at no cost to the Town, in accordance to conditions set by the Planning Board on a subdivision application. *(This article is recommended by the Planning Board.)*
- Article 9.** (By Petition) Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of \$15,000.00. *(This article is recommended by the Budget Committee.)*
- Article 10.** (By Petition) To see if the Town of Allenstown will vote to establish a Trust Fund pursuant to RSA 31:19a to receive and hold money for the purpose of establishing, maintaining and upgrading rural water supply and delivery systems for fire fighting purposes. Monies to be expended by the authority of the Selectmen of the Town of Allenstown. *(This article is recommended by the Budget Committee.)*
- Article 10A.** To see if the Town of Allenstown will vote to establish a capital reserve fund pursuant to RSA 35:1 (Supp.) for the purpose of purchasing fire fighting equipment for the fire department.

- 
- Article 10B.** To see if the Town of Allenstown will vote to establish a capital reserve fund pursuant to RSA 35:1 (Supp.) for the purpose of purchasing equipment for the highway department and to raise and appropriate the sum of Fifteen Thousand (\$15,000.00) Dollars for said fund. *(This article is recommended by the Budget Committee).*
- Article 10C.** To see if the Town of Allenstown will vote to establish a capital reserve fund pursuant to RSA 35:1 (Supp.) for the purpose of purchasing equipment for the police department and to raise and appropriate the sum of Three Thousand (\$3,000.00) Dollars for said fund. *(This article is recommended by the Budget Committee).*
- Article 11.** (By Petition) To see if the Town will vote to raise and appropriate the sum of Five Hundred (\$500.00) Dollars to be placed in the Trust Fund for rural water supply and delivery systems for fire fighting purposes. *(This article is recommended by the Budget Committee.)*
- Article 12.** (By Petition) To see if the Town will vote to repeal the 1976 American Insurance Association Fire Prevention Code and adopt in its place "The BOCA Basic Fire Prevention Code" 1984 edition and its revisions. Both to take effect upon passage.
- Article 13.** (By Petition) To see if the Town will vote to adopt the 1985 N.F.P.A. Number 101 "Life Safety Code" and its revisions. Said code to take effect upon passage.
- Article 14.** (By Petition) To see if the Town will vote to repeal the 1976 National Building Code and adopt in its place the 1984 "BOCA Building Code" and its revisions. Both to take effect upon passage.
- Article 15.** (By Petition) To see if the Town will vote to adopt the National Electrical Code N.F.P.A. Number 70, 1987 edition and its revisions. Said code to take effect upon passage.
- Article 16.** To see if the Town will vote to accept Kimberly Lane shown on a plan of land of Gerald and Virginia Gagne recorded in the Merrimack County Registry of Deeds as a Town Street. *(This article is recommended by the Planning Board.)*
- Article 17.** To see if the Town will vote to accept Townhouse Road shown on a plan of land of Heritage Meadows recorded in the Merrimack County Registry of Deeds as a Town Street. *(This article is recommended by the Planning Board.)*
- Article 18.** (By Petition) To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Two Hundred Sixty Five (\$13,265.00) Dollars for the purchase of a 1987 Ford LTD Cruiser for use by the Police Department. *(This article is not recommended by the Budget Committee.)*
- Article 19.** (By Petition) To see if the Town will vote to raise and appropriate the sum of Fifty-six Thousand (\$56,000.00) Dollars for the refurbishing of the 1976 American LaFrance pumper fire truck. *(This article is recommended by the Budget Committee.)*

**BALANCE AMOUNT OF REVENUE SHARING:** \$40,398.00

- Article 20.** To see if the Town will vote to appropriate the sum of Five Thousand (\$5,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Police Department.
- Article 21.** To see if the Town will vote to appropriate the sum of Twenty-five Thousand (\$25,000.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Highway Department.
-

---

**Article 22.** To see if the Town will vote to appropriate the sum of Ten Thousand Three Hundred Ninety-eight (\$10,398.00) Dollars from the Federal Revenue Sharing Trust Fund for use as a set off against the budgeted appropriation of the Fire Department.

**Article 23.** To see if the Town will vote to accept the budget as submitted by the Budget Committee, or pass any vote in relation thereto.

**Article 24.** To hear the reports of auditors, agents and committees or of officers heretofore chosen, and to pass any vote in relation thereto.

**Article 25.** To transact any other business that may legally come before said meeting.

THE POLLS WILL BE OPEN UNTIL SEVEN O'CLOCK IN THE P.M.

The business meeting and reading of the Warrant will be held at the Allenstown Elementary School in said Allenstown at 1:00 p.m., Saturday, March 14, 1987. Given under our hands and seals this 20th day of February, A.D., 1987.

Gabriel Daneault  
Donald A. Chaput  
Edward Emond  
Selectmen of Allenstown

A true copy of Warrant—ATTEST

We certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within Warrant at the place of meeting within named, and a like attested copy at the Municipal Building being a public place in said Town, on the 20th day of February, 1987.

Gabriel Daneault  
Donald A. Chaput  
Edward Emond  
Selectmen of Allenstown

# Allenstown School District Warrant

## The State of New Hampshire

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF ALLENSTOWN IN THE COUNTY OF MERRIMACK QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Allenstown Elementary School in said District, on the 6th day of March, 1987 at 7:00 o'clock in the evening, to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen and to pass any vote relating thereto.
2. To see if the District will vote to authorize the School Board to accept gifts and donations on behalf of the School District.
3. To see if the District will vote to authorize the School Board to accept and expend on behalf of the District a sum of money not to exceed \$54,534.00 to be obtained from the Federal Government or other sources that may make such funds available to the District; provided that the School District will not be thereby required to raise any money by local taxation in this or subsequent years as the result of such expenditure of \$54,534.00. (*Budget Committee recommends approval.*)
4. To see if the District will vote to authorize the School Board to apply for, accept, and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1987-1988 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.
5. To see if the District will vote to raise and appropriate the sum of \$105,398.00 for the additional cost items as set forth in the latest collective bargaining agreement with the Allenstown Education Association for the 1987-1988 fiscal year. (*Budget Committee recommends approval.*)
6. To see if the District will vote to approve the long term contract negotiated by the Allenstown School Board and the Allenstown Education Association.
7. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
8. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.
9. To choose Agents and Committees in relation to any subjects embraced in the Warrant.
10. To transact any other business that may legally come before said meeting.

Given under our hands at said Allenstown this 18th day of February, 1987.

Evelyn P. Guilbeault  
Ernest E. Coulombe  
Edmond J. Duchesne  
Allenstown School Board

Hooksett Turnpike Road  
Concord, New Hampshire 03301  
Telephone 603-224-6133

September 15, 1986

The School Board  
Allenstown School District  
Suncook, New Hampshire 03275

Members of The Board:

We have examined the financial statements of the various funds and account groups of the Allenstown School District for the year ended June 30, 1986 and have issued our report thereon, dated September 15, 1986. As part of our examination, we reviewed and tested the District's system of internal accounting controls to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon to determine the nature, timing and extent of such auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal control is to provide reasonable but not absolute assurance as to safeguarding of assets against loss from unauthorized use or disposition, and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurances recognizes that the cost of a system of internal accounting control should not exceed the benefits derived and also recognizes that the evaluation of these factors necessarily required estimates and judgments by management.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally by management with respect to the estimates and judgments required in the preparation of financial statements. Further projection of any evaluation of internal accounting control to future periods is subject to the risk that procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

Our study and evaluation of the District's system of internal accounting control for the year ended June 30, 1986 which was set forth in the first paragraph, would not necessarily disclose all weaknesses in the system nor detect fraud, if any should exist.

---

The following conditions, while not material weaknesses in internal accounting control merit your consideration.

**1. Inventory of Fixed Assets**

As in the practice with many New Hampshire School Districts, the Allenstown School District has not maintained a record of its fixed assets. In order to adequately maintain control of its existing fixed assets, we recommend the District cause an inventory of these assets as soon as practical. As part of their long-term policies, District officials should initiate fixed asset records. Cost or consideration given is the general accepted method for valuing fixed assets, and should be recorded on all new acquisitions. Where adequate documentation of cost is unavailable for existing fixed assets, an estimate of the original cost is an acceptable standard under accounting principles for governmental entities. The existence of fixed asset records will not only aid District officials in their control of these assets, but should be an invaluable tool in long-range planning.

**2. School Lunch Sales**

Very little control exists over School Lunch Sales receipts. We recommend that the District investigate the feasibility of implementing control mechanisms at the point of sale.

**3. Student Activity Funds**

Included in the Student Activities Funds is the athletic account, sums are transferred from the General Fund to this account and individual checks are issued from the athletic account to referees and umpires at the time the games are played. This activity should be accounted for under the General Fund.

**Publication Requirement**

The provisions of R.S.A. 71-A:21 require that only this letter shall be published in the next annual report of the School District.

However, we suggest that you consider the publication of the entire report which includes auditor's opinion, financial statements and notes to financial statements. No portion of either the auditor's opinion, financial statements or notes to financial statements may be published separately.

We extend our thanks to the officials and employees of Allenstown School District for their assistance during the course of our audit.

Very truly yours,  
Brent W. Washburn, CPA

---

# Report of The Superintendent of Schools

The past year has been a most eventful one. Growth in our community and its effect on the continued overcrowded conditions of the schools remain the single most pressing issue. Factors which influence the overcrowded conditions of the schools include not only increases in student enrollment but also the need to maintain and expand specialized programs in the areas of kindergarten, library services and special education. As a result of the overcrowded conditions and mindful of the increases in the 1987-88 proposed budget, the School Board decided to eliminate its kindergarten program for the 1987-88 school year.

September enrollment for 1986 was 614, or an increase of 25 students over the 1985 September enrollment. Enrollment projections for the 1987-88 school year are estimated at 629, with the most significant increases coming at the primary grade levels.

The Allenstown School Board contracted the services of the architectural firm of Frank Marinace and worked tirelessly throughout the year in its pursuit of a building/renovation/additions project which would be affordable to the taxpayers of Allenstown. Many options were investigated, some of which included the purchase of land and the construction of a new school. The option to buy land and build a new school was one of the most expensive alternatives which, in part, resulted in the Board's decision to pursue the purchase of the Armand R. Dupont School from St. Jean the Baptist Church. In its pursuit of the purchase (and renovation) of ARD, the Board hired an engineer to review and report on the structural, mechanical, and electrical soundness of the building. With information from the architect, the engineer and a certified appraiser, the Board made an offer to purchase the ARD building and, as of this writing, is still negotiating the purchase of the building with Church officials.

When an agreement is reached, the School Board will request the assistance of interested school and community representatives to serve on a building committee to work with the architect and to advise the Board on the renovation of the ARD building. Once a renovation plan is ready, the Board will hold a public hearing and a special school district meeting to seek taxpayers' approval of the purchase and renovation of ARD. The proposed purchase and renovation project of ARD will be phase I of a two phase building program. Phase II, perhaps three to five years away, will be at the Allenstown Elementary School in the form of a renovations/additions project.

Standardized test scores show our students scoring above and below National averages, depending on grade levels and subjects tested. Increases or decreases in test scores at any given grade level is a natural phenomena. The staff is investigating the reasons why changes in test scores occur and is scheduled to report their findings to the School Board later this spring. Please keep in mind that standardized test scores are just one component in evaluation school effectiveness. Various factors enter into fluctuating test scores which may include; matching what is taught with what is tested, the numbers of students taking the test, the ability of the students taking the test, the conditions in which the test was administered, and the amount of time spent preparing students on how to take standardized tests. The list is certainly not all-inclusive. I bring this information to your attention so that judgments are not made on the successes or lack of success of your schools based exclusively on test scores in a given year.

Upward trends in test scores (overtime) along with declining dropout rates, increased enrollment in honor classes, improved reading scores, increased post secondary school admissions, increased student leisure time in academic pursuits (i.e. reading, computer), and increased interest in school activities show a more accurate picture which reflects a positive evaluation. If these trends are reversed, the picture would be negative. If trends are mixed, so is the picture. The point is that goals in education are complex and the measure of the success or failure of such goals is complex as well. When we look at the Allenstown picture, in its entirety, we have much to be proud of.

As you may already know, the demand for teachers is rising fast, and the supply shows no sign of following that demand. Teachers and parents are the most important resource in the educational lives of our children. For our schools to do the kind of job that is expected by you we need to take measures to hire quality teachers as well as retain quality teachers. In support of this goal, I am pleased to announce that the Allenstown School Board and the Allenstown Education Association have agreed upon a new three year contract beginning at the 1987-88 school year. I urge you to support our efforts in providing a quality education for the children of Allenstown by voting in favor of the new contract. For your information the following figures are presented:

1986-1987 Teacher's Average Salary	
Nation:	25,347
New Hampshire:	20,260
Allenstown:	17,022

---

Citizen participation in the form of volunteerism in the Allenstown Schools is on the increase and is one very important reason for the success of our schools. The Board wishes to express its appreciation to all of you who have supported the school in the form of volunteerism. For those who would like to volunteer, please feel free to contact the school.

The last item I would like to bring to your attention is the changes that have taken place at the SAU Office. George Blaisdell announced his resignation last fall to accept the superintendency at North Andover, Massachusetts. George provided excellent educational leadership for each of the five school districts of SAU #53 throughout the past five years. He will be missed. At its December, 1986 business meeting, the five school boards of SAU #53 elected me as your new superintendent. I am very proud, indeed honored, to accept the new challenge and, with your support, will carry out my new responsibilities with the dedication and professionalism you have seen in the past. Thomas Haley was appointed to serve as interim assistant superintendent throughout the remainder of the school year, June 30, 1987. We are fortunate to have a person of Tom's knowledge and background of SAU #53 to assume the responsibilities at mid-year. We are a team! Roberta Doore, Pembroke Academy business department chairperson, is serving as interim Pembroke Academy principal for Tom Haley. Bobbi and Tom will resume their duties at Pembroke Academy on July 1, 1987. With these two competent and dedicated professionals, we expect a smooth transition period this spring.

In other business at the SAU #53 December 1 meeting, the school boards voted to approve increases in the number of professional staff positions at the SAU office. In a management study conducted last fall by the Center for Educational Field Services (CEFS) of the University of New Hampshire, results clearly show the need to increase staff in order to keep up with the increase in work load (work load increases result from population growth in the form of building projects, from the effective management of school budgets, the development of curriculum and other regular and special education program development activities). An excerpt taken from the CEFS report supports the point;

"In 1982, SAU #53 was administering more money with less staff compared with 2 other SAUs in [a] survey. Over the past 5 years, the fact that 2 SAUs have divided into 4 indicates that SAU #53 continues to provide an array of administration services in an extremely cost effective manner."

Our intent is to continue to provide cost effective administrative services to you and your children through your schools. With your support of these office changes, we will achieve this worthy goal.

I look forward to working with you in the future.

Respectfully Submitted,  
Paul DeMinico  
Superintendent of Schools

# Allenstown School District

## Report of the Principal 1986-87

### Facing Challenges

The growth in the student population felt by most of southern New Hampshire has had a profound effect on Allenstown Elementary School! We increased our teaching staff by two this year and still find that our first and fourth grades are well over thirty students. The modular unit, designed for twelve readiness children, now houses twenty children. The seventh grade classroom added to Dupont required the removal of a wall and displaced special education and art. We continue to need a waiver from the fire department to offer art instruction in an inadequate and unsafe room. The special education room at Dupont is too small to hold a class. The elementary school library currently houses three grade five classes, occupational therapy, chapter I reading and math and a small desk area for art and music. This summer, twenty-two new and unexpected first graders registered for school while four more registered following Christmas vacation. Further, seventy-five building permits have been granted in Allenstown which suggests we will soon be registering more youngsters!

### Leadership and the Curriculum

Our summer programs were very successful once again! Edie Danieli and Rebecca Smith gave remedial instruction to elementary youngsters; Debbie Makros offered art to a small group of artistically talented students; Ruth Gregor and Kathy Scott worked with ACES (Allenstown's Creative and Exceptional Students) on computers. Governor Sununu was our special guest this summer! He was very pleased with our computer program.

Our school program is managed very effectively by level leaders who work closely with their colleagues. Level leaders for 1986-87 are as follows:

<b>Grade Level</b>	<b>Level Leader</b>
Readiness, Kindergarten	Diane Robinson
Grade One	Debra Keane
Grade Two	Laurie Berkowitz
Grade Three	Penny Yeaton
Grade Four	Janet Dombrowski
Grade Five	Nancy Beaudet
Team I (Grades Seven & Eight)	Judy Heath
Team II (Grades Six & Seven)	Debra O'Connell
PPT Special Needs	Colleen Wilusz

Our curriculum is managed by curriculum chairs:

<b>Curriculum Area</b>	<b>Chair</b>
Language Arts	Janice Kenney
Mathematics	Edie Danieli; Cathy Edmond
Social Studies	Linda Proulx
Science	Cynthia Nugent
Computers	Penny Yeaton
ACES	Ruth Gregor
Performing Arts	Kathy Scott
Report Cards	Sue Briggs

---

Our Five Year Curriculum Plan is in its fourth year. This year our focus is on reading and writing. Many of our youngsters have received instruction in The Writing Process and The Whole Language Approach to writing. The emphasis on writing frequently, editing and studying writing in detail has encouraged students to improve and polish their writing techniques. Student participation in "Young Authors" and the publication of several literary books have been a source of pride.

Seven teachers are currently piloting new reading books as we determine which would best suit our needs. Overall, we are placing a greater emphasis on literature and reading throughout the school.

We continue to emphasize math concepts through Math Their Way, a concrete approach to mathematics. The mathematics committee is studying our strengths and weaknesses carefully to suggest revisions in our current approaches.

Students have many opportunities to enrich or remediate their curriculum. Allentown has a higher percentage of special needs students when compared to other communities. Our Pupil Placement Team works hard throughout the school year to adjust the curriculum for these special needs youngsters. We also have programs to suit our more capable children including Odyssey of the Mind, which is offered after school and ACES which is offered throughout the year and in the summer. Activity period, CAP and Artists in the School allow children to experience theater, dance, foreign languages, typing and the like. Our Education Fair, open to the entire community, gives children an opportunity to display their research and regular classroom work for one evening.

#### **Curriculum for the Future**

We now have computers in every classroom! Students use the computers to write reports, letters and essays and have developed word processing skills to edit their work. Our software enhances our curriculum and challenges students to drill on math and reading skills, practice critical thinking and problem solving. Last year, ten eighth graders passed a high school exam in computers earning high school credits at Pembroke Academy.

Our Career Education program, directed by guidance counselor John Kindelan, encourages students to examine their goals for the future. Grade eight girls attended a Pembroke Academy program entitled, "Women in Non Traditional Work Roles" and met women lawyers, truck drivers, welders, television personalities and many more. Dennis Giacino's unit on "Real World" allowed students to learn about managing finances, job hunting applying and interviewing for positions. It's never too early to think about the responsibilities demanded in our society.

#### **Community Events**

Building a school playground with 124 community volunteers was certainly a highlight in our school year! In the early morning—an empty field; at dusk—a ship, several slides and an interlocking tire system which holds hundreds of children. We have enjoyed the fruits of the labor all year.

The Armand R. Dupont Scholarship Fund continues to grow and this year Celeste Gosselin was the worthy recipient. The scholarship is awarded to a graduating senior who has been distinguished for school and community service, has a strong academic record and plans to attend a post secondary school.

We welcome Rita LaBranche, hot lunch director, and several new lunchroom workers. Our meals continue to be hot and delicious at breakfast and lunch! Exciting events such as the School Picnic, the Thanksgiving and Christmas feasts and special lunchroom days invite parents, grandparents and children to share a meal together.

Teacher Appreciation Week has been very well supported by the community! Flowers, cards, goodies and a very fancy lunch cooked and sent in by Allentown families make everyone at school feel special. We've honored one very special faculty member as she completes her twenty fifth year of teaching in Allentown. Many of us have been touched by Janice Kenney, a wonderful teacher!

---

The student council works hard all year representing the student body and learning about student government. Their activities and fund raising efforts assist the eighth grade class in making an education trip each year. This year students went to Quebec. Monte Carlo night, always well supported by the community, provides a good deal of funding for this experience.

A very special part of our school program is directed by Dennis Giacino, our drama advisor. The production last spring entitled "Play On" and this fall's "Fools" were absolutely superb! The students' many gifts and talents are accentuated as they perform on stage. We hope to see the drama department grow under Mr. Giacino's direction.

Our athletic teams and coaches are skilled and winners this year! Special thanks to coaches John Zachodny and Vic Ranfos (baseball); Laurie Berkowitz and Carin Wheeler (softball); Sandra Tremblay and Jack Cross (soccer); Harry Brechtel and Dennis Giacino (basketball). Debbie O'Connell is our cheerleading coach. We're enjoying championship seasons and are proud of the sportsmanship displayed by the students!

### **School Building and Grounds**

The classrooms at Armand R. Dupont have been completely changed around as Team I moved downstairs and Team II upstairs. We currently have five classrooms on the upper floor and four on the lower. Some painting was done over the summer.

The elementary building had all its hallways painted, many minor repairs done and screens added to the windows. Roofing, plumbing, heating and electrical problems along with loose windows continue to be a concern.

A flower garden graced our school front this summer and was well enjoyed by those traveling by our school.

We must face our challenges together and continue to invest in our students! The staff is talented and very dedicated to Allenstown. We offer a fine program and the children are working hard to complete their education. It's been a rewarding year.
